

President's Note

Stepping into the role of President of EPSA, I am grateful for the warm welcome I have received and very excited about the opportunities and challenges ahead. 2024 has been a whirlwind of activities and achievements and leading into 2025, it is a privilege to serve EPSA and its members.

Firstly, I would like to thank Matt Rae and the outgoing EPSA Management Committee members for their work over the last 18 months. The improved committee governance has enabled a smooth transition for us newbies and sets solid platform for us to continue and build on that amazing work.

Next, I'm pleased to welcome the New EPSA Management Committee members, as well as the newly formed Young Professionals Group. With a rich mix of expertise, experience, and emerging talent, I am confident the EPSA is in good hands.

Looking ahead, we have an exciting lineup of hot topics for 2025 including "the Global Logistics Landscape" and "Third Party Risk Management", and a white paper on "Future of Procurement Profession in the Energy Sector" is currently under development.

As we approach the end of this year, I want to thank you all for your continued support, making EPSA the organization it is, and I am so excited to embark on this new journey. Stay safe and enjoy the holidays and see you all in 2025!

Charlotte Mulholland

Goodbye & Good Luck.

Big THANK YOU to the outgoing Committee members:

A big thank you and goodbye to all the outgoing committee members who have made the decision to step down.

Your dedication and commitment to the EPSA over the past couple of years will be missed. Good luck to all!
